Lee Shippey Writes On Peace

EDITOR'S NOTE — The beloved Lee Shippey has for years written his weekly column for the SIERRA MADRE NEWS with the understanding that he writes what he wishes and that this will not be changed in content. Naturally, it is well to re-emphasize that the editor does not always agree with what Lee writes, but as Voltaire put it "we will defend to our last breath his right to say it." Lee's column this week is such an instance.

I'M NOT such an optimist as to expect the new American proposal on disarmament to be accepted — and lived up to — by all the powers. But wouldn't it be wonderful if it were?

All of us know that a century ago the only law in many parts of the West was the law of the gun — of individual armament. "Justice," which often was shameful injustice, was habitually on the side of the fastest and most accurate gun, until it was recognized that the only way to insure peace and justice in any community was to adopt protective laws, and choose good men to enforce them.

* * *

THERE were failures and mistakes, of course, but reliance on law and police has improved the West so vastly that nine-tenths of us live out normal lives without ever being shot or plundered. For most of us, respect for law protects even the weak and defenseless.

A world police force and a World Court would simply be an expansion of the same plan. In substance, that was Woodrow Wilson's dream when the League of Nations was formed, and the dream of the bipartisan United State's delegation when the United Nations was created.

And with more and more nations developing ability to destroy civilization that may be the only dream which can save it. And many seemingly impossible dreams have come true in the last 50 years.

BUT IT'S DIFFICULT to embrace a dream, and we

IT WAS A HAPPY OPENER — Mrs. Vern (Phyllis) Foster, treasurer, Women's Auxiliary, presents a $1,300 check to Bill Bennet, representing the Booster Ticket Sale receipts, results of the young players sales. Presentation took place at the opener of the Sierra Madre Baseball Association's season at Heasley Field. Young Mark Nelly looks on joyfully.

Treder Is Baseball's Dad of '61

"Whereas the Sierra Madre Baseball Association is a credit to our city," said Mayor Vannier, in reading the proclamation which named Saturday, April 28, as Sierra Madre Baseball Day. This tribute was the first of many paid to the association Saturday at opening day ceremonies, on Jim Heasley Field in Sierra Vista Park.

Including parents and friends of the association, the ceremonies were witnessed by the entire City Council. There were members representing the Parks and Recreation Commission, Sierra Madre Police Department, City Employes, Fire Department, American Legion Auxiliary, Sierra Madre Women's Club, Ladies Auxiliary of the VFW, the Sierra Madre Civic Club, and the **SIERRA MADRE NEWS.**

WILLIAM TREDER, Babe Ruth League president, looks a bit serious as Mrs. Chester (Virginia) Lighthizer presents plaque designating him as the "Outstanding Baseball Father of 1961." Young players, Pete Moore and Blake Nuetzel look on approvingly.

MRS. RUDOLPH (ROSE) GALKIN, Americanism chairman of the American Legion Auxiliary, presented an American Flag to the Womens' Auxiliary of the baseball association. The flag, graciously accepted by Mrs. Chester (Virginia) Lighthizer, was then used in the impressive color ceremony arranged by William Messersmith, leader of Scout Troop 373.

Participating were Honor Scout Jerry Riggins, Gary Pogue, Jim Abernethy, John Coyle and Steve Koyamatsu. This Scout Troop is sponsored by the Congregational Church.

Father Miller of the Church of the Ascension gave an inspiring invocation.

After welcoming the distinguished guests, in his warm and easy manner, George Fleming as master of ceremonies introduced Tom Butch, assistant city administrator. Mr. Butch, recognizing the high purposes of the baseball association, encouraged the "young men"

Woman's Club Needs Help, But It Will Continue

The Sierra Madre Woman's Club needs assistance but it has no intention of discontinuing its operations and the time-honored clubhouse at 270 W. Sierra Madre Blvd.

This was made clear this week in a statement by the club's corresponding secretary, Mrs. Catheryn Elliott. At the same time, Mrs. Elliott indicated that any assistance in operating the clubhouse will be welcomed. Her statement addressed to the editor of the **SIERRA MADRE NEWS** follows:

"The Woman's Club of Sierra Madre sincerely appreciates the editorials in the **NEWS** concerning the condition of the club. We do, indeed, treasure our organization and its home.

"Of course, there is no question as to permanence of the club itself, but the maintenance of our clubhouse — our club home — is getting to be a problem.

"We do feel that the clubhouse is one of the significant characteristics of our city, just as are the Wisteria Vine and the Youth Hut. But we find its upkeep becoming a burden.

"CAN SIERRA MADRE HELP US?"

Summer Recreation Program

City's Swim Pool To Open May 26

Sierra Madre's city swim pool in Sierra Vista Park opens for weekends only on May 26, this extending to June 16 when it will be available full time until Sept. 9. Incidentally, the pool will be open Memorial Day, Wednesday, May 30.

Announcing this and the summer program, Mrs. Lester R. (Margaret) Anthony, Recreation Department chairman, and Tom Butch, recreational director, said that pool hours will be 1 to 5:30 p.m. and 6:30 to 9 p.m. Admission will be 50 cents for adults and 25 cents for all juniors under 18.

Once again, a feature will be family season tickets which proved so popular last summer, this including both parents and juniors under 18. (Children under 3 are not permitted inside the pool area.) Family season tickets provide unlimited swims throughout the summer for $12.50.

INDIVIDUAL season tickets will cost $7 and cover the purchaser only.

Swim instruction starts Monday, June 18, from 8 to 12 noon until Aug. 24. Preregistration will be in the pool lobby from June 4 to 9 from 9 to 2 p.m., and from June 11 to 15 from 9 to 2 p.m. Incidentally, registration will be held at this time for all summer activities.

Requirements for beginning swim instructions are youngsters entering 1st grade or 6 years old at time of registration. There will be a maximum of 15 students in each class with half-hour instruction periods. The fee is $3.50 for two week's class.

There will be junior and senior life saving classes, adult swim lessons, and the department again is offering swim team training and matches as well as water ballet lessons. The latter group will work on routines which will be presented at the Fourth Annual Aqua Fair on Aug. 24-25. Diving lessons will be held from 11 a.m. to 12 noon, Monday through Friday, starting June 18 for two weeks.

Teenage night at the pool will be every other Tuesday night from 7 to 11 p.m. starting June 19.

The Sierra Madre Concert Band, directed by Ross Davis, will give concerts in the bandstand at Memorial Park on alternate Friday nights, starting on June 22.

TEEN DROP-IN dances at Youth Hut will continue as in the past, every other Friday night, starting May 11.

Pervert Cuts Ladies' Garb During Nights

Ladies, take your clothes in from your clotheslines at night.

Some intruder, perversion-minded, and armed with sharp scissors, is cutting to shreds women's apparel left out on clotheslines at night. Two such cases have been reported to Sierra Madre police.

One was outside the apartment of Lodzie Gatazka of 493f W. Sierra Madre Blvd., the other at the Edward Summer's home, 155 W. Grand View.

'Teacher of Year' Is Mrs. J. Lumsdom

The 43rd observance of the Masonic-sponsored Public Schools Week was opened here in Sierra Madre by a dinner and program given at the Masonic Lodge last Saturday night.

Honored guests attending included Mayor and Mrs. W. Webster Vannier, C. W. Jones, the first mayor of Sierra Madre; Ed Hawkins and Miss Betty Newton, principals of Sierra Madre and Sierra Mesa schools, and Mrs. Jean Lumston, of Sierra Mesa school, who was honored as the "Teacher of the Year" and was presented with a bouquet of 17 roses in recognition of her 17 years service with the Sierra Madre schools.

IN ADDITION, teachers from the two schools and pupils acting as class representatives for the 5th and 6th grades were introduced.

The principal speaker was Dr. E. Howard Floyd, who discussed the many school events which have taken place during the past year, with special emphasis on the

Aldrich Asks Fight For Free Enterprise

"Bigger and Better" was the slogan supermost at Monday night's Chamber of Commerce dinner held at the Woman's Clubhouse, 270 W. Sierra Madre Blvd.

The dinner, staged under direction of President John H. Curtis and Douglas R. Delahooke, program and membership chairman, the address on "American Private Enterprise" by William L. Aldrich, and singing of the La Salle Glee Club directed by Brother Harold, were tops.

So, too, was the advice that the C. of C., in the past few months, has increased from 74 to 95 members, highest in the organization's history, and Chairman Delahooke promises that this soon will reach the 100 mark.

"A growing Chamber means a growing and enterprising city,"is President Curtis' succinct comment on this encouraging factor.

THE DINNER served by the Woman's Club, as always, well-cooked and appetizing, also excellenty served; the flowers courtesy of Wistaria Flower Shop, beautiful as always; introduction of the guests, including new members, was inspiring, demonstrating the steadfast growth of the city; the salute to the flag was led by Mayor W. Webster Vannier; address on the Community Chest by Mrs. Charles L. (Lucy) Young was informative, and the invocation was by Col. Walter D. Thurber.

Mr. Aldrich who heads his own public relations firm, stressed that the American Republic is founded mainly on three premises: Belief in God, our Constitution and Bill of Rights, and Free Enterprise.

From this he developed the role now occupied by centralized government as contrasted to the rights of the individual, this to the detriment of American industry and business. As an example, he cited neglect of the schools to teach the advantages of free enterprise; the "grab-all" tendencies of organized labor damaging the profit system (without profits no industry is safe for its employes), and the complacency of manufacturers and businesmen themselves in failing to fight back formidably and adequately.

"THE SOCIALIST planners have been and are ever active in Washington," he commented — they have just about seized control of our schools; the labor unions march along with them and business fails to fight back."

He advanced the hope, however, that manufacturers and business will pull together and with proper organization successfully carry the fight for free enterprise to the people, and with telling results.

Introduced by Delahooke, new C. of C. members are: Mr. and Mrs. Bill Rayburn, owners of Blanchard Washrite; Jim Brown, proprietor of Brown's Furniture; Don Dewey and Doug Tucker, Duraclean Rug and Upholstery Cleaners; Mr. and Mrs. L. Mankin, Fashionette; Carl and Carlyle Griffin, Griffin Lumber; Joe Grippi, Los Angeles Times dealer; Mike Hackney and John Seales, Hackney Airlift Associates.

Mildren Dyer and Trilba King, King Jewelers; Dr. Earle Manning, physician and surgeon; Leland Marsh, realtor; Clay Reavis and Al Paus, public accountants; Bill Fleug and Phil Klajda, Sierra Travel Service; Bill Stoddard, Sierra Madre Machine Co.; D. C. Hatfield, Sierra Madre Paint and Body

Demos Hold India Party

Sierra Madre Democratic Club held a gourmet East Indian get-acquainted dinner party Saturday night at the home of Mrs. Edith Dane.

Authentic recipes were obtained from the East Indian consulate so as to provide a lavish assortment of food.

Several East Indian students, presently enrolled at Pasadena City College, were present. The girl students, dressed in lovely sari assisted the hostesses, Mairs Sheets, Jeanne Holt, Gina Velasquez, Edie Dane, Joyce Fenwick and May Moyer in draping their sari costumes in lovely fashion.

KNOX MELLON, Democratic candidate for 24th Congressional District, and Milton Gelber, Democratic candidate for Assembly were present as well as many guests from South Pasadena Democratic Club.

Due to enthusiasm of the gourmet dinner planning is underway for a similar affair in August.

Services for R. O. Caukin, Former S. M. Postmaster

Memorial services for former Postmaster Ray O. Caukin, 84, who died last Friday at his home at 2282 New York Dr., Pasadena, were held Monday at 3 p.m. in Sierra Madre Methodist Church.

Rev. Claude Smith, minister emeritus of the Pasadena First Methodist Church, officiated, with Utter-McKinley's Pasadena Mortuary directing arrangements. Private inurnment was in the family plot in Mountain View Cemetery in Oakland.

Mr. Caukin, who was born in Oakland, had lived in California all of his life and in Pasadena for the past 28 years. As postmaster for Sierra Madre he preceded Eddie Robertson who, in turn, was succeeded by the present incumbent, Charles E. Louk. He was postmaster here for some 20 years.

A WORLD WAR I veteran, he was past commander of the now non-functioning American Legion Post No. 297; past worthy patron of Sierra Madre Order of Eastern Star No. 299, and a member of Sierra Madre Masonic Lodge No. 408.

Surviving are his wife, Grace Caukin, and a daughter, Mrs. Cricket Goff of Pasadena.

Western in theme, relaxed in purpose and taking time for "fun and getting acquainted" adequately explains the party currently being planned for Saturday, May 26, by the Sierra Madre Community Hospital Auxiliary.

A barbecue supper heads the list of "goodies" being planned, with varied activities ranging from swimming and active games, to quiet, pleasant conversation.

ONCE AGAIN it's time for another **TRAVEL FILM SHOW**, this one the last in the present series. The program will be held, as usual, in the Sierra Madre School Auditorium, (Highland at Auburn), on next Wednesday, May 9, at 8 p.m.

Two films will be featured, covering different, but equally attractive tourist areas. "Wings to Tahiti" transports you for 30 minutes or so to the islands Under the Wind — those famed South Sea paradises with the intriguing names of Borabora, Moorea, Tahiti — that incredible land where French joi de vivre and casual carefree Polenisian approach to life find a meeting place.

All the color, warmth and friendliness of the island people and their lovely land are brought to you for a little while as you view this striking movie.

* * *

THE SECOND FEATURE depicts life aboard a large cruise liner, the "Caronia," often called the Queen of the Cruise Fleet. Here you will see the varied and fascinating ports of call that line the blue Mediterranean, from sophistication of the resort cities along the Riviera to the glories of ancient Greece and the spectacular developments of Modern Israel.

As an added attraction there are scenes of the rarely visted ports on the Black Sea, such as Yalta and Odessa, affording rare glimpses of this area.

THROUGH the cooperation of Sierra Madre merchants there will again be valuable door prizes to be given away, and all in all, we believe you'll find it a most entertaining evening. Admission is free, of course, and doors will open at 7:40 p.m. We hope to see many of you there.

MRS. EDWARD C. VAIL of Panhellenic Association, reads citation to Pamela Marie Kinkade, Sierra Madrean, to be honored at organization's Saturday tea. Mrs. Vail will welcome the guests.

Pamela M. Kinkade Among 8 Valley Girls Gifted by Panhellenic Association

Eight outstanding senior girls in the San Gabriel Valley and at Pasadena City College, including one Sierra Madrean, will receive awards of $100 each this Saturday at 1:30 p.m. from Pasadena Area Panhellenic Association during a tea at the San Marino Woman's Club.

Winners are Pamela Marie Kinkade of 422 Ramona; Sierra Madre, Pasadena High School; Joan Sparks, Alhambra High School; Jolinda Kulli, John Muir High School; Andrea Rosanoff, San Gabriel High School; Mary Bennion, San Marino High School; Dale Ann Thomson, Temple City High School; Ruthellen Foxcroft, South Pasadena High School, and Carol Galbraith, Pasadena City College.

YOUNG MISS KINKADE is the daughter of Mr. and Mrs. Edward R. (Helen) Kinkade, is president of Auroras, girls' honorary society; California Scholarship Federation member; Youth Conference Discussion leader; Junior Class secretary, and secretary of the Representative Council.

To be named for an achievement award by Pasadena Panhellenic, girls must plan to attend a four-year accredited college, have a B- average or better, have a well-rounded personality, not only high scholarship, but character, leadership ability and participation in both student and outside activities, and must apply for the award.

Mrs. Edward C. Vail of 3805 Newhaven Rd., Hastings Ranch (Pasadena) will welcome the guests. Mrs. Hartley Smith, scholarship committee chairman, will make the presentations.

HOSTESSES to the award winners will be Mmes. W. A. James Jr., Marion Thompson, Richard A. Brenner, Lucian Harris, Charles Lee, Wendell Wilson, Lee Sharp and Vincent Heublin.

Invitations to the tea have gone out to other senior girls, and their mothers, who plan to attend four-year colleges and who have registered with Panhellenic by filling out rushing forms at their high schools.

During the afernoon, alumnae will model what a typical co-ed might wear on some of our nearby campuses. Arrangements are being made by Mrs. Charles Martin, program chairman. This will be followed by a program of color slides of scores of Western college campuses.

Mrs. J. Roy Smetz, social chairman, is in charge of the tea arrangements and is assisted by Mrs. Marjorie Hunt. Serving at the tea tables will be past presidents of Panhellenic.

Mrs. Lester Rosenthal, program chairman, will work closely with Mr. Adrian in presenting his models.

UNIVERSALLY KNOWN throughout the fashion world, Adrian has become famous as the exponent of the natural fresh look in his models who have been trained by the top professionals in the fashion industry. His models have been accepted by the world's most famous photographers, and have appeared on the covers and in the fashion ads of outstanding media on both continents.

Miss Carole Washburn, 1961 Rose Queen; Miss Joanne Sommers, Miss Southern California of 1962; Miss Janet Landgard, teen-age model, and the Misses Marion Wiberg, Nancy Mellen and Colleen Cary are among outstanding personalities who will show the latest fashions at Hadassah's tea. Most of the girls are from the San Gabriel Valley. Proceeds, in keeping with the philanthropic ideals of the group, will provide funds for the vocational training schools of Hadassah.

This top fashion event is open to the public, but reservations are requested, and may be made by calling: HI 7-6528, SY 3-3960, or EL 8-1450.

A PREVIEW of the San Gabriel Valley Chapter of Hadassah's benefit fashion show to be held Tuesday, May 15 at noon in the gardens of Mrs. Saul Shapiro, 2 Oak Knoll Terrace, Pasadena, is afforded in this closeup of Model Marion Wilberg and Mrs. Lester Rosenthal, program chairman. The famed Adrian will be the style show entrepreneur.

Mrs. Steinberger To Show Pictures of Arizona

Mrs. J. Milton Steinberger, former Sierra Madrean, and president emeritus of the Woman's Club, now of Phoenix, Ariz., will entertain the Community Friendship Club, showing her pictures of California Missions, at 2 p.m., Monday, May 7, at Park House.

This promises to be a most interesting program and the public is invited, according to the club president, Mrs. D. W. Nourse.

The annual Pie Party is scheduled for 1 p.m. and coffee will be served by the committee. There will be a brief business session, followed by the pictures. For transportation, call Jane Southers at ELgin 5-3653 after 5 p.m. and before Monday.

Hjordis J. Parker Giving Two Travel Film Shows At Seattle World's Fair

Sierra Madre's—and Norway's— peregrinating world ambassador of good will, Hjordis Kittel Parker of 193 Oak Meadow Rd., nationally-known film producer and lecturer, will complete her present lecture tour with two shows on "Life in Sweden" at the Seattle World's Fair.

The wife of Donald C. Parker flew Tuesday to Seattle, accompanied by her daughter, Elise Gundrun Parker, and at the invitation of the Swedish Embassy will give two performances at the Exhibition Playhouse during Sweden Week now in progress. This film is the newest of Mrs. Parker's production of films on Scandanavia.

HER SEASON that started last October, has been a busy one. She has had two eastern tours, several in the northern part of the country, and one in Canada.

Geographically, her tours have reached as far north as Edmonton, Canada, as far east as Hartford, Conn., and as far south as Tucson, Ariz. She appeared in 22 states.

ASKED WHICH performthis season, Mrs. Parker anance she enjoyed the most swered, "My Norway show at the Queen Elizabeth theater in Vancouver, Canada, Oct. 26, because it is such a beautiful new theater. Also because the Canadians are so fond of my native Norway that all 3,300 seats were filled.

"Then I enjoyed my show in Haddonfield, N.J., because it happened to come at the time of the big Atlantic storm of March 6. Just a quarter of the audience could make it through the storm, but it was an exciting evening for me after the mild climate of Sierra Madre."

Mrs. Embree Talks Before Zonta Club

Santa Anita Area Zonta Club installed officers for the ensuing year at the May meeting held at the Sportsman's Tavern last night.

New officers are Shirley Burt, president; Elizabeth C. Faiman, vice president; Jean Hendrickson, recording and corresponding secretary; Florence Nielsen, treasurer. Directors are Nettie Yeager and Wilma Jensen. Miss Pauline Handy of Pasadena Zonta Club was installing officer.

THE TABLES were decorated with May baskets and flowers appropriate for the time of year to further follow the theme of the meeting.

Emily Embree, Sierra Madre meber, was the speaker. Her topic was "Orchids and How to Use Them." She, with her husband Alvin Embree, are Specie grower and importers of orchids. They are foremost in orchid collecting in Southern California.

Their nursery of orchids, provide for their needs for the florist business Mrs. Embree operates.

The PLAZA Shop Talk

By Sewall Clark

HAVE YOU ever built a picture in your mind as to how something is going to be and then, when it happens, it turns into something else?

Maybe you rehearse a situation beforehand, like a young reporter en route to his first assignment with so-called "celebrities."

You may think how they will act, how you will act, what they will say, what you will say, then — WHAM! — somebody drops a teacup or the barbecue sets the house on fire and the only bit of savoir-faire to save the day is something you learned as a Boy Scout.

* * *

SAVOIR-FAIRE — what a beautiful term. Remind me to look it up sometime. I think it means knowing what to do in almost any situation or at least acting as if you did even when you don't; the roof falls in and you merely shrug: "Rubbish, anybody?"

The only person I could never forgive for this trait was a golfing partner of mine (about 100 years ago) who made a hole in one with the calm reaction of a man who had expected it. We used to be friends.

* * *

THIS sophistication is something I've tried to cultivate but have never quite achieved .When Trudie and I began the Plaza Shop five months ago I was so excited about it I found myself sweeping the sidewalk almost to Mountain Trail. It's like taking a whiskbroom to the beach to sweep back the tide, but the truth is: Trudie and I like the little place muchly.

It took hold so fast that some of the more sophisticated veterans in the garment industry, in spite of knowing Trudie's talent and her contacts within the industry, are amazed. But there should be a reminder here:

* * *

THE PLAZA SHOP was never planned to be one thing or another. It is merely a bit of enterprise where women can buy beautiful garments, sometimes ten days or two weeks before they appear on other markets, and if their husbands come along they can relax in the Plaza's patio knowing they won't go broke.

* * *

SOME PEOPLE think we should expand. No thanks. We may never have all sizes in all garments, but that's the thing that makes it possible for the Plaza Shop to be what it is.

"If it fits, you've hit a goldmine!" If it doesn't, you can always use your savoire-faire and try again.

"WHAT SHALL we wear?" Members of a committee of the Santa Teresita Hospital Auxiliary speculate on what to wear to the annual Shower of Roses benefit dance to be held at the Altadena Country Club on May 12. From the left: Mrs. John T. Dunken, committee chairman; Mrs. Wayne Glausser and Mrs. Harry H. Roberts.

Santa Teresita to Honor Hospital's 'Baby Alumni'

There's going to be a party—a "Homecoming Party"—especially for YOU and YOU and all the "WEE ONES" who have been born in "Bethlehem," the maternity section of Santa Teresita Hospital, Duarte, during the four years it has been opened.

As members of the Baby Alumni, YOU are to be especially honored by Mother Margarita Maria, administrator, the Carmelita Sisters, and the Santa Teresita Auxiliary. You'll be welcomed, served refreshments, and be presented with a medal of St. Terese, hospital patroness. You may be accompanied by your Mommy or by whomever you would choose to bring you. They, too, will be graciously received.

SO, HAVE MOMMY mark your calendar, send an R.S.V.P. to the hospital, 1210 Royal Oaks Dr., Duarte, or telephone ELliott 9-3243, so your hostesses will know you are coming.

Then have Mommy get your prettiest frock or nicest suit all ready, so you may enjoy this first Alumni Meeting of your very own organization, which will be held to inaugurate the celebration of National Hospital Week for 1962.

The party will be held in Madonna Hall, on Monday, May 7, from 1 to 3 o'clock; you may come and stay as short a time as you schedule permits, but please do come!

WHY? BECAUSE everyone at Santa Teresita is so anxious to see you again, and

Weddings are not my forte as a reporter, but when I heard of one so unique and dear as took place at Trinity Church last Saturday afternoon, I wanted to tell you about it. Edna Hutchinson, (known to many in the Ranch as Betty Hurtig's mother), became the bride of Herman R. Johnston of Newport Beach.

The bride's attendants were her **GRANDCHILDREN!** Susie and Caryl Hurtig were maid of honor and bridesmaid, respectively. Granddaughter Linda Hutchinson was a junior bridesmaid while Grandson Bill was the ringbearer. The wedding plans and preparations were capably executed by the bride's daughter, Mrs. Peter Hurtig, who said she planned a "small intimate family affair which soon grew to a guest list of 80 — still all intimate friends and family."

The Hurtigs are delighted that Grandmother married a long-time family friend, and that Betty's sister, Mrs. Jack Baxter and three children could come out from Cleveland for the ceremony and a post wedding visit.

A REINDEER'S head adorned with a garland of flowers and jaunty Alpine hat set the colorful mood for the Tumor Clinic Auxiliary Dance at the University Club Saturday night. The Dean Scurrs of Tropical, supplied the head which had once belonged to a deer shot by Mrs. Scurrs' mother 25 years ago.

Quite a conversation piece, said Peg Christianson, party chairman (in Tyrolean print dress), who told the story over and over in a hoarse whisper throughout the evening. Guests authentically garbed for the party's Bavarian theme included Kay and Howard Owen, Mrs. Dean Prosser, chairman, and the ladies on her committee are really planning some nice 'sprises for YOU.

Mrs. Prosser, of Bradbury, is being assisted in the preparation of YOUR PARTY by Mmes. James Story of Bradbury; James E. Story Jr. and Wallace L. Hopper of Arcadia; Edmund Richards and Gilda LaRoque of Pasadena; Zane Claysnulte of Monrovia, and Laurence DeMark of Duarte.

Mary and Bill Caldwell in true German costumes complete with crocheted bag filled with fresh garden vegetables. Also, Betty and Dick Wagner, Amy and Tom Callister. Ken Christianson wore Tyrolean shorts with a Bavarian coat-of-arms decorating the suspenders. From all reports the "Crown City Hofbrau "was a happy success!

CINCO DE MAYO is the theme chosen by the Nitelighters for their May 5 party. Marguerite and Jack Horne's Newhaven Rd. home will be the setting for the Mexican dinner and decor. Barbara Hyde, Vivian Stabile, Phyllis Otten, Evelyn Jandigian and Jo Veale are assisting Mrs. Horne. Forgot to ask if "cocktails" meant Tequila.

Among those planning to attend are Messrs. and Mmes. Charles Brinton, Bruce Crane, James Donohue, James Hess, Gordon Hyde, Santo Jandigian, Richard Koontz, John McGraw, Michael McMahan, Grant Otten, Horace Ray, Norman Shanks, Ed Specht, Tony Stabile, Joan Veale, Ted Will, Darrell Wright, John Zeman ,plus inactive members the DeWayne Allens from Huntington Park and Walter Stranges from Oceanside.

* * *

I LIKE THE WAY the Horace Rays do things. One day they just drove down to Laguna Beach and bought a new home! Naturally, they spent the recent spring vacation at the beach house; as did Carol's friend Leslie McGiven, and Carter's friend, Frank Blummer. Dorothy

Boy are we lucky with all of this extra time again this year.

There are two ways to look at this additional hour. Some people grin happily and say they get so much more done and have so much more time to play.

Me, I'm bitter; there is time for at least six dozen more footprints to track across the floor. The cookie consumption has gone up at least 10 per cent and my waist line is beginning to rebel both from stooping and from eating.

I could feed the whole family earlier, but the family is all out with the happy grinners playing. Zounds!!!

THE VILLA GUILD of the Rosemary Cottage met at the home of Mrs. Edwin Pyle last week to present and elect new officers for the coming year. Mrs. Edward Halperin will be the new president, Mrs. Ernest P. Maurin, Jr., first vice president; Mrs. William Rittenhouse, second vice president; Mrs. E. Marshall Harris, treasurer; Mrs. O. Kenneth Fuller, recording secretary; Mrs. Joseph Mangan, corresponding secretary; Mrs. George Wenger, membership, and Mrs. Edward Pyle, publicity.

Mrs. F. R. Anderson, former and first president, wants to thank each and every one of her board members for the work and cooperation extended to give such a successful first year.

I would like to say myself that none could have held the group together any more successful than Mrs. Anderson, and I represent the board in saying a great big "thank you" to her.

The last board was Mrs. Ira Lackey, Mrs. Joseph Mangan, Mrs. Joseph Phelps, Mrs. C. Tom Crawford, Mrs. Norman White, Mrs. James Smith and Mrs. Clete Dorsey.

FEW LITTLE NEWS items came to me this week from the Kinneloa Canyon area.

And, speaking of that area, it is so pretty in that section. It is modern and yet rustic. There are a whole bunch of view lots on the market for sale for an absolutely fantastic price, but I'll bet they won't last long!

Women of the Kinneloa Canyon Group got togeiter at the home of Mrs. Dean B. Clary on Kinneloa Canyon Rd. for a monthly meeting.

The big problem is still getting a suitable name for the group. The Clarys are newcomers in recent months to the area. They have an 8-year-old daughter, Deborah, who is a pupil at Eugene Field School.

Their hobbies are varied. They of course are primarily interested in decorating and landscaping their home.

Secondly they are hi-fi enthusiasts and have an extensive collection.

Lastly, and certainly not the least, they have a very well-equipped gym in their basement and have fun working out and keeping those waist lines in line as it were.

Mr .Clary is a manufacturer of heavy machinery, namely, the Clary Company.

* * *

MR. AND MRS. ROBERT J. SWAIN of Kinneloa Canyon Rd. were among hosts recently. They entertained the Roy A. Hoffman's and the Dean B. Clary's at what I understand was a marvelous beef stroganoff dinner, and a combined effort of both.

* * *

MR. AND MRS. HOWARD CARY of Brambling Lane are at home again after a week's vacation and combined business trip. They left first for Montecito where Mr. Carey entered the Montecito Veteran's Tournament. After leaving there they went on up to San Francisco for a few days.

The Cary's have a boarder of dubious desirability. He is a nice fat raccoon. This cocky fellow is also a gourmet. He washes his escargots in the swimming pool and leaves the shells in a neat litle pile for the Cary's to dispose of. He wasn't even invited either!

* * *

DR. AND MRS. CLETE DORSEY and their two children, Ann and Steve, are at home in their new abode. Their address is 3439 Vosburg and their phone will be the same.

* * *

THE DEITZELS of Meyerloa Lane have been in a celebrating mood. They started out at the Laurence Deitzels on Easter with a party that included Mrs. F. H. Deitzel, who was celebrating her birthday anniversary; Mr. and Mrs. Karl F. Deitzel, who were celebrating their 20th wedding anniversary; Mr. and Mrs. Wilfred Rogers, and their children Mike, David, Ann, and Terry; Mr. and Mrs. William A. Allen, and their daughter Moira; Mr. and Mrs. Laurence A. Deitzel, Jr., and their children, Andy and Beth, who were visiting from San Diego, Joan Deitzel and her escort Hal Stuben.

* * *

LATER ON in the week the Karl Deitzels were lighting a birthday anniversary cake for Mrs. Alice Wimmer, and along to help celebrate the occasion were Mrs. Deitzel's brother and wife, Mr. and Mrs. George Wimmer, their nephew George (Bud) Wimmer, and Dennis Lauck.

TENNIS ANYONE: The 63rd Ojai Valley Invitational Tennis Tournament last weekend revealed three young stars from the Ranch. Lee Miller of 1065 Medford and Stan Smith 3835 Greenhill, represented Pasadena High and played through the second round.

Rhoda and Ken Smith went up to Ojai for the tournament and saw their older son, Steve play too — for the University of California, Riverside.

Lee Miller is a senior at PHS and Stan a sophomore seriously dedicated to tennis. Like father, like sons — I understand Ken Smith is a former tennis coach.

DOT AND AL KORNGIEBEL stayed at the Sahara in Las Vegas last weekend. Dot heartily recommends the stage production of "Flower Drum Song" to anyone heading Vegas way!

AS I PREVIEWED last week, the C.F. Guild had a party Saturday night and the post party reports indicate it was their greatest ever! Guests departing at 5 in the morning complained that the night had been too brief—due to daylight savings, of course.

But on to more serious business. Guild members elected new officers last week. They are Mrs. Alan Stearns, president; Mrs. Charles Harrison, Mrs. Matthew Slavin, III, Mrs. Wells Pleas, vice presidents; Mrs. Harold Hennacy, recording secretary; Mrs. Edward Watts, corresponding secretary; and Mrs. George Mannshreck, treasurer.

LAURA AND WAYNE BRANNON have been in a spin of business details recently. Wayne, 1959 recipient of Pasadena Board of Realtors "Salesman of the Year" award, has just opened his own office — Brannon and Thompson Realty at 1245 E. Walnut.

Remarkable Book Sale Is Recorded

By Mary Tumilty

The rosy glow surrounding the Sierra Madre Public Library these days may be attributed to the remarkable success of the recent used book sale sponsored by the Friends of the Library.

From the scores of those contributed, 1,200 adult and 75 juvenile books, with a combined value of $3,150, were retained by the library. Sales on the remainder amounted to more than $350 which will go toward purchasing new books.

The response, both by contributions and purchases, more than compensated for the weeks of laborious planning and tireless efforts of those eager to make the sale a success. Mary Tumilty, committee chairman, said the gratifying results were due to the large number of books contributed, loyal cooperation of volunteers, the library staff and the generous patronage of the public.

OPENING NIGHT, April 12, was an especially gala occasion. The spacious lower level of the library, enhanced by mood music and surrounding murals, provided an inviting setting for the sale. Here, neighbors met neighbors, chatted, sipped coffee, browsed and bought books by the dozens until the closing hour of 10 o'clock.

The young people had their finest hour Saturday morning when, stimulated by a magic show by John Dauben, an art show by their contemporaries and refreshments from a fruit juice bar, they stormed the stalls of childrens' books and, happily for the library, displayed little sales resistance.

Having written finis to the 1962 edition, the sponsors are casting an optimistic, if weary, eye to next year's sale and urge everyone to start saving books for it.

GRASS FIRE QUELLED

Sierra Madre had its first grass fire of the season Tuesday morning. Fire Marshall Bert Embree and his emergency truck extinguished such a fire near 251 W. Highland. No damage.

Cesspooler Is Rescued From Cavein

Cesspool Builder Edward T. Thomas is a lucky fellow.

Thomas, 35, of 8013 Kayle St., Sunland, employed by the Gopher Cesspool Company of La Crescenta, was using blocks and bricks to line an 18-foot cesspool under construction at 471 N. Canon Dr., last Thursday afternoon.

Suddenly it collapsed at the bottom and Thomas was buried up to his shoulders and neck in the cavein.

Fortunately, he could use his arms and he and his companion, William Reid of 10960 Whitegate, Sunland, began the work of extrication.

IT TOOK their combined efforts and those of two Sierra Madre fire trucks, Fire Marshal Bert Embree and his emergency truck, Police Sgt. H. S. Embree, Police Officer David G. Benscoter and several ladders before this was accomplished.

At Sierra Madre Community Hospital, to which he was ambulanced, the lucky Thomas' injuries were pronounced a slight cut on the head and bruises about the body.

Baseball Season

(continued from page 1)

of the teams to do their best and above all enjoy their games.

BUD HARTMAN, vice president of Little League, introduced the Farm Club and all six Minor League teams, sponsors, managers, coaches and team mothers.

Paul Westman, president of the Little League, introduced the six Little League teams, sponsors, managers, coaches, and team mothers.

The Four Babe Ruth teams were presented by their president, Bill Treder.

As each team was named their pennant was displayed. The beautiful pennants were made by a committee of mothers directed by Mrs. Bill (Virginia) Treder.

Mrs. Vern (Phyllis) Foster, treasurer of the Women's Auxiliary presented the Baseball Association with a check for $1,300 to be used for the benefit of the boys of the Baseball Association. In the absence of Jim Fisher, Association treasurer, the check was accepted by Bill Bennet, Little League secretary.

Excitement rose to a high pitch when Mrs. George (Nancy) Throop and Mrs. Robert (Jeanette) Austad called forth the winners of the Booster Tickets Sales Race.

Tying for fifth place were Sam Bennet and George Matakovich for having sold 45 tickets each. They were presented with rods and reels and ribbons.

Fourth place winner, Frances Funston, sold 46 tickets and was awarded a ribbon and a baseball autographed by Don Drysdale of the Los Angeles Dodgers.

Third place went to David Fuller, who sold 50 tickets and was awarded a ribbon and an autographed baseball.

Jon Treder, second place winner, sold 71 tickets and also received a ribbon and an autographed baseball.

Parker Chase of the Sierra Cycle Shop, being a real Little League fan, presented his gift of a fielders mitt to the first place winner, John Atkinson, who sold 118 tickets.

Special thanks was given to Mrs. Jack (Dottie) Atkinson and Mrs. James (Rosemary) Abernethy Team Mothers of the Padres, the team which sold the most (421) Booster Tickets.

MRS. MYRTLE HEASLEY, widow of the man for whom the ball field is named, drew the winners of the first and second prizes. Winning the electric wrist watch, donated by Byron Hopper, was Howard Sherk of 137 W. Montecito. He was especially pleased to receive the watch, as he had just broken his old one.

Second prize went to Dr. and Mrs. John M. Teem, 286 E. Alegria. They plan to use their four reserved seats to a Dodger game soon.

Now, the time had arrived that everyone was waiting for. A fanfare heralded the event. Virginia Lighthizer took her place before the microphone and began her beautifully conceived speech which would reveal the man who above all other had won the respect and admiration of all the wonderful people involved in the baseball program.

As the list of accomplishments grew it was apparent to all that William A. Treder, Babe Ruth League president, was the man to be honored by the first Father of the Year Appreciation Award.

Treder, in accepting the award gave credit to all the men who participated in the baseball program. Virginia Treder, his wife received an orchid corsage from Ann Neely, vice president of the Women's Auxiliary.

As "Father of the Year" Bill Treder had the honor of throwing the first ball of the season. The call "PLAY BALL" rang out and the exhibition Little League game of six innings began. Umping was Mr. Thomas O'Connall of Allied Umpire Association. He ruled no playoff when the game ended in a 3 to 3 tie. The exciting game was announced by Bill Bennet, assisted by Paul Westman.

The snack booth did a land office business under management of Mrs. John E. (Connie) Tahl and her committee of mothers. Helping in the booth were Ruth Englert, Eleanor Barkley, June Fleming and Nancy Throop. These girls sold $116 worth of refreshments.

Sponsors of the teams this year are Arnold's Hardware, Al Foxton's Chevrolet Service, Hartman Rexall Pharmacy, The Highlander, Don Jackson's, Kiwanis Club, Harry Lange and Associates, Osti's Landscape Nursery, Morehouse Foods, Ralphs Shoes, Roberts Market, Roess Market, Royal Drug, Seven Up, Sierra Cycle Shop, Sierra Madre Hardware, **SIERRA MADRE NEWS** and Toy and Patio Village.

Baseball Nite Brings Johnny Lindell, Movie

An enthusiastic attendance of boys and men, along with a sprinkling of girls and women, enjoyed the first annual Baseball Night sponsored last Thursday by the Brotherhood at Shepherd of the Hills Lutheran Church.

Professional coaching tips on batting, fielding and pitching were offered by Joe Turner of Sierra Madre. An inspiring and humorous talk on "Youth and Baseball" by John Lindell of Arcadia, former Yankee star, was followed by the excellent color sound movie, "Highlights of the 1961 World Series," and refreshments.

This event was held in the interests of promoting the sport of baseball and good sportsmanship on and off the diamond. The Brotherhood wishes to thank the **SIERRA MADRE NEWS** for the excellent publicity and support given to Baseball Night.

effects on the Sierra Madre schools since their joining the Pasadena Unified District.

Dr. Floyd also discussed new courses in languages, mathematics and physical sciences which are being planned for the schools.

ON MONDAY night both schools held their annual open house program which was well attended by parents and friends of the pupils who took advantage of the occasion to visit the classrooms and view the exhibits of class work prepared by the pupils.

Shippey Column

(continued from page 1)

don't dare embrace that one until just laws are so universally accepted and a police force strong enough to control any would-be Genghis Khan is in being.

The great Khan was an ignorant Mongol who had to seize power when only 13 years old, yet he became the greatest conqueror the world has known, and the military leaders of the civilized world were no match for his ruthless strategy. There must be many in the vast hordes of Mongolia and China who dream of conquest when they think of him.

* * *

NOW THAT understanding of science is plunging us into wildernesses of which most of never heard before, it's a little like giving little boys deadly weapons. Some surely will take pot shots which may involve the world in war if we do not also make them see the wisdom and necessity for universal peace and law.

And that is such a simple fact that we should be able to make it clear.

Our own nation, richest in history, is groaning under the costs of military preparedness, yet we do not dare let possible enemies get a step ahead of us, no matter what the taxes. They are the price of peace — yet War would double them, besides being as devastating as a world forest fire.

* * *

EVEN SWITZERLAND, which hasn't had a war for 200 years, has to spend more for military preparedness than for anything else.

Yet the mere fact that it has not had war has made it amazingly prosperous and progressive.

Truly, a World Court, a world police force and national armies limited to national defense and dignity would not only provide us with billions for public works and social services but still save us billions in taxes — but we can't have them until we have proper safeguards.

Shop; Sam Simpson, Simpson Cleaners; Dr. John Waters, dentist, and Edward Wessel, Wessel's Suburbia.

One of the surprises of the dinner was the excellent singing of Brother Harold's La Salle Glee Club. Selections from the "West Side Story" were especially effective and pleasing.

"The that ruleth over men must be just, ruling in the fear of God. And he shall be as the light of the morning . . . ; as the tender grass springing out of the earth by clear shining after rain." — Last Words of King David. Old Testament.

"The flames kindled on the 4th of July 1776, have spread over too much of the globe to be extinguished by the feeble engines of depotism, on the contrary, they will consume these engines and all who work them."—Jefferson's "Testament of Freedom."

The Quality of Mercy Is Sometimes Strained

There was a forest fire in Sierra Madre and Hastings Ranch on the last day of last October. It caused damage exceeding $1 million and eventually the life of Michael B. Rushworth, promising youth of only 19 who had come to California from his native Vermont to gain forestry service experience.

This was one of a series of forest fires for which Donald Dana, 32-year-old Pasadena bachelor with an itching delight in starting fires and then clapping hands as the flames darted upward, was later arrested.

Dana's trial before Superior Court Judge James Whyte at Pomona ended last week when he was found guilty on seven charges of arson, but ordered sent to the Atascadero State Hospital for mental treatment. In other words, the court decided that Dana wasn't in his right mind when he touched off the blazes, one of which cost young Rushworth his life.

* * *

THE LATTER was the high cost of a misadventure committed by a psycho on the loose.

Now let's consider some of the other costs — financial ones.

The Forest Service has twice reseeded the entire burned-over territory at a heavy expense.

Floods which followed the erosive fires have already cost the County Flood Control District $82,500 for cleanup purposes.

The City of Sierra Madre must expend more than $80,000 which it can ill-afford, for flood-mud preventives in the N. Sunnyside and Skyland Dr. areas. It has already expended other thousands for debris removal.

* * *

IT IS TO BE hoped that this time Dana will be kept permanently in Atascadero or some other mental institution and not set free — in four or five years — by soft-hearted and soft-headed psychiatrists and permitted to touch off another series of disastrous forest fires.

Even if he is kept in a mental institution permanently it will not restore the life of young Michael Rushworth, promising boy that he was.

Underpaid City Employes

This newspaper sincerely hopes that in preparing for the 1962-63 budget Council will make provision for increased pay and pension benefits for city employes, especially members of our underpaid Police Department.

We are fully aware of the city's financial condition, of the stress that is being applied to its funds through the contemplated N. Sunnyside and Skyland Dr. flood-mud prevention. These are realistic needs and should be effected, but so, too, should the moral structure of our police and other city departments.

* * *

THERE IS no gain saying that from the chief down members of the Police Department, in comparison with other San Gabriel Valley cities, are decidedly underpaid. The same is true of other city employes. When the police chief of a city of 10,000 population makes less than a police officer in Los Angeles, we believe that some satisfactory adjustment is in line.

Naturally, we do not want our taxes increased; nor do we wish to go into bond issues and their long-term owing. But we do hope that the city fathers can devise some method of raising the pay of each city employe. They are, in the main, a goodly, self-effacing, effective set of employes, and deserve it.

Shell's Campaign Sags

There comes a time with most every political candidate when his campaign plainly shows signs of sagging.

The experienced one will take immediate steps to bolster his efforts, to rally his workers to renewed efforts, to make return trips to already visited fields and to see people in areas in which he has not already campaigned.

Joe Shell now faces this situation. After a whirlwind campaign in which he made more than 525 addresses in various parts of the state and in which he aroused widespread enthusiasm, his campaign for the Republican nomination for Governor at the June primaries is "falling down in the middle," mainly through the natural inertia which, as a rule, besets a candidate at some time during his campaign.

* * *

THIS NEWSPAPER wants to see Shell nominated; it has endorsed him for four reasons: We believe that he is far better acquainted with California's needs than is his Republican opponent, former Vice President Richard M. Nixon whose heart is in Washington, D.C., not Sacramento, Calif.; he knows better than Nixon the financial needs of the state, especially in retrenchment after the "Spend-Bust" policies of the Brown Administration; he is specific in his recommendations for restoring California to its proper economic status, does not deal in generalites as does Nixon, and finally, we believe that he can defeat Brown where Nixon cannot.

We hope that Shell gets his campaign into high gear again — also that he visits Sierra Madre. He hasn't done so and his loyal followers here wish to hear and see him.

Long Beach's Oil Pool Aids State Funds

By Henry C. MacArthur
(Capitol News Service — Special to the Sierra Madre News)

LONG BEACH—The fortunate position of the City of Long Beach because of the vast oil pool located under and adjoining it, how it has whipped its subsidence problem, and its new lease-on progress, were outlined in a previous column.

But the City of Long Beach is not the only beneficiary of the multi-billion dollar resource.

The Assembly interim committee on manufacturing, oil and mining met in Long Beach recently to check over the state's interest in the rich tidelands and survey the stewardship of the city. Assemblyman Joe Kennick of Long Beach is committee chairman.

At the hearing, the committee found that indeed, the entire State of California joins with Long Beach as beneficiary from the oil reserves.

THE HISTORY of state participation in the oil fields located under state tidelands granted the city before oil was discovered, is lengthy, legal and complicated.

It can be disposed of briefly, however, by pointing out that after lengthly legislative consideration, and court proceedings which reached the highest court in the state, the State of California reaps half the net profit from tideland oil and all of the profit from natural gas produced.

These monies are deposited in the state water fund, to be plowed back into the development of another natural resource—water. So far the state has not found it necessary to sell any of the authorized $1.75 billion bond issue voted by the people for water development. And from the new Long Beach development, a state benefit of $800 million is anticipated, enough to take care of a good part of the bond issue.

AS JOHN R. MANSELL, the wide awake city manager of Long Beach, points out, the water money is not the only benefit to the state. Mansell is proud of the beach developments contemplated with oil money, and says that a survey shows users of the beach total about 82 per cent of residents of other cities of California.

A constantly expanding yacht harbor, for big boats and little boats, was developed from a mud flat and swamp area. Hundreds more applications for berths are on file than there are berths, and a lot are from areas other than Long Beach. Thus, people from all sections of the south benefit from oil money development.

A new and modern Navy landing and an Armed Services YMCA are among other uses to which oil funds have been put. A brand new 15,000-seat arena for all types of events, conventions and other large meetings nears completion. It also will serve as a trade fair and already countries from as far away as Scotland have applied for space

IN THE LONG BEACH harbor itself, ultra-modern loading facilities are being used and new methods are being developed. A million-bushel grain elevator is the dominant building at the harbor, and the elevator draws business from seven Western states.

The story of Long Beach is one which never will have an end. As Mansell says, "We are building for the future, and our growth parallels the growth of California and the West."

The future of Long Beach is bright, and its city fathers intend to keep it that way.

Letter to the Editor

Dear Editor:

About a year ago while conducting a column in the **SIERRA MADRE NEWS** we began beating the drums for an ever-flowing fountain smack dab in the center of Kersting Square.

One of those bountiful, thirst-provoking numbers you see gracing the plazas of Italian foothill towns. We advocated calling it the "Lee Shippey Fountain" in honor of the beloved nationally-known writer who has done more to endear Sierra Madre to out-of-town, out-of-state readers than any other Sierra Madrean.

At the time, response was encouraging. A generous donor (We'd have to check the back files for his name) offered to supply free brick. The Woman's Club and/or the Civic Club were going to head up the drive to finance the project. Then thud! Dead silence. We don't know what happened except that the fountain is not there.

* * *

THIS IS a civic shame. Among other blessings, Sierra Madre has the finest drinking water we've tasted since leaving the Northwest. If for no other reason, Sierra Madreans ought to offer God a permanent, eloquent, ever-flowing reiteration of our thanks.

An intelligent lady in this town whom you know — but I shan't name — put it this way: "How far, far better to devote the money we invest in the Rose Parade float each year to this fountain. The float gives us a momentary thrill of pride and pleasure and then is swiftly gone. The fountain would give us beauty and comfort every day in the year.

"With a few benches placed around for the weary, the thirsty and the contemplative — an Old World charm would be added to our public square that would contribute mightily to the fame of this "Little Foothill City of Livability."

Our city administrator, Larry C. Bevington, is reputed to be an excellent engineer. How about asking him to estimate the cost of a suitable fountain?

You may as well publish this letter because we propose to peck away at this project until a fountain blooms in Kersting Square.

—DEN MURRAY

Dear Editor:

This is my first Letter to an Editor. And it's a pity it has to be a protesting one, but I feel deeply concerned over Mr. Nuetzel's demand that the Master Zoning Plan be altered to suit his purpose.

When my husband and I bought our property in the foothills we fell in love with the beauty and solitude of the location,, with the quiet, seldom traveled streets upon which our children could venture without danger to life or limb.

We never stop marveling at the majesty of "our" wonderful mountains or at the close community spirit that prevails beneath them.

Now all of a sudden this ideal situation is threatened by an invasion of apartments that should never have been proposed for a prime residential area in the first place. Were these units allowed to be built after rezoning the property countless other Sierra Madre home owners will have just cause to quake in their boots and wonder what will go up on the lot next to theirs!

Let's hope that our Planning Commission will use wisdom and foresight in dealing with this real menace to our beautiful town of Sierra Madre — down with Spot Zoning!

—JOAN KEPPLER

Dear Editor:

Accept my congratulations for printing the editorial, "Do You Wish to See the End of America?"

Thank God for an editor who's got the "guts" to publish the truth regardless of the "cross" you must bear through misinformed citizenry.

If ever I had a desire to read my Bible more, attend church, and attend democratic or free forums it is now. We must spread the word for I believe the time is short.

—RAYMOND VAN JONES

Dear Editor:

For three days last week I watched young men doing an extremely hazardous job, made more so with but one cumbersome chain saw, which had to be shared by all the crew!

The trimming of our immense dying trees is a must for the safety not only of the people living in houses alongside them, but of the people ,especially the children, passing beneath them.

Surely we can afford $160 for a most necessary second and smaller saw, enabling the man up in the tree, doing the cutting, to conserve his strength and to enable him to be more agile, to say nothing of the saving of time now wasted by the whole crew waiting to share this one saw.

I chatted with one of the men and learned that for him an 18 "McCullough 51" would make his work easier and more efficient and that any kind of a second saw would alleviate the irritation caused by standing by, waiting for a tool to work with. This whole tree crew has to stand around waiting while the one saw is sharpened!

Whether we want it or not, I imagine that Sierra Madre will always have to have a tree crew, and I think it only fair to give the men who do this dangerous work, the kind of tools they need.

A golfer chooses from many clubs for each particular shot, and a tennis player chooses his racquet, a painter chooses his brush according to the job to be done, but we equip our tree crew with but one jack-of-all-trades saw, for any and all sized men, be they 140 lbs. or 240 lbs., and for any kind of a job.

We are losing money by this penny-pinching, but what is far worse, we are bad employers of young men, by forcing them into a slovenly way of life, when they are anxious to do a good and efficient job!

This whole country is crying for tools. Who is stopping our men from having them? Not the taxpayers, I'll warrant could they but see what I have been seeing this past week, I am about to see next week and the week after, ad infinitum!

—JEANE HICKS

Dear Editor:

In your issue of March 19 you informed the citizens of Sierra Madre with a complete coverage of the Nuetzel, et al., plan for building apartments on the hillsides of the northeast sector of our town.

Knowing that it is your desire to keep the public informed on both sides of the issues that affect the wholesome growth and development of our town, we request that in the News you give front page coverage to the voice of the opposition, relative to zone change on the hillsides north of the city.

No variance of the Master Plan R-1 15,000 should be granted. The Master Zoning Plan was devised after surveys, consultation discussion and intelligent consideration on the part of the Planning Commission, Council and others. Surely, the same reasons that applied then are even more applicable today.

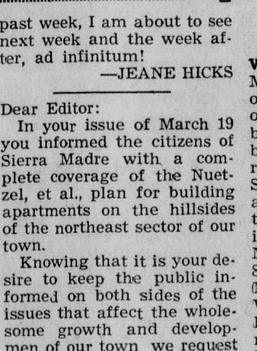

In consideration of the future generations, should we be blessed with our normal rainfall for several years in succession, we do not want to contribute to another La Canada, Silverlake and other landslides of 1936 in Sierra Madre, and we will not hear **"The Sins of the Fathers"** re-echoed as we hear today.

Thank you again for your impartial publication of both sides of this very important issue.

GEORGIE G. CALKINS
and W.S. CALKINS

Editor's Note — News is something which eventuates and if it does so at the hearing on the Nuetzel project, it most assuredly will be published on Page One.

Miss Sellars telephoned her 88-year-old grandmother, Mrs. M. D. Sellars of Fort Worth, Tex., to tell her she had signed up. 7 YEARS AGO THIS WEEK, May 5, 1955—Sierra Madre lost its first school tax election in its history last Tuesday when 841 voters said "No" to a proposed tax increase from 90 cents to $1.45 per hundred assessed valuation. Those who voted "Yes" for a 55-cent increase for an indefinite period, totaled 597. The results came as a surprise to many who had heard C C Carpenter, assistant superintendent of Los Angeles County schools, when he remarked at the January meeting of the board that a school tax election had never been defeated in the county. Mrs Isabelle F. Steele was chairman of the Sierra Madre Property Owners Committee which fought the proposed increase on a "Hold the Line" platform.

John Conzelman of 658 Mariposa Ave., moved into a new job Monday when he was appointed production manager for the Gilman Scientific Instrument Company in Pasadena. Mr. Conzelman, a member of the Sierra Madre School Board, has been prominent in civic affairs here for ten years, formerly was employed as general manager for the Fonda Corporation at Glendale.

Private Use of City Cars Now Banned

City employes must not use city-owned and operated automobiles for their own personal use.

City Administrator Lawrence C. Bevington has issued a warning to this effect, based apparently on violations of this rule by some city workers. The administrator attached a penalty where such violations are disclosed.

In his warning that city employes must not use city cars for transportation of their family or other persons not now employed by the city, Administrator Bevington writes:

"THE ONLY CASE where persons not employed by the city would be permissible would be an extended trip out of the city where the trip was on city business, and a member of the family was going along. In such cases prior approval by the city administrator as to the trip and extra persons involved would be required.

"This memo shall serve as a notice to all city employes of this ruling, and any future incidents will automatically result in one day's suspension without pay."

What Next ??

The ingenuity of youngsters bent on mischief seems without limit these days of juvenile delinquency. Note the latest:

They dipped a croquet ball in thinner, then set it afire and rolled it down E. Grand View, according to a report made to police by Ernest J. Nordquist of 400 E. Grand View.

After this they sped away in a stationwagon.

Miss Gladys Aylward

'Small Lady' Speaks Here Next Sunday

Bethany Church of Sierra Madre has set aside the month of May as its annual "Month of Missions." This coming Sunday, May 6 marks the beginning of the missions emphasis by presenting Miss Gladys Aylward at both the 8:15 and 11 worship services, according to Dr Robert N. Schaper, pastor. Rev. Hugh S. Bell, Jr., assistant minister, is chairman of the Mission Board which is planning and conducting the program.

Gladys Aylward, who rose from the position of a London parlormaid to become a legend in her own lifetime through heroic service in war-ravaged China, is known best as "The Small Woman" whose story was condensed in book form by Reader's Digest.

She has arrived in America as guest of World Vision, Inc., an interdenominational missionary service agency with headquarters in Pasadena. It is Miss Aylward's third speaking tour of North America.

BORN IN ENGLAND, Gladys Aylward long dreamed of going to China as a missionary, but was unable to obtain backing because of her lack of education. She determined to go anyhow without help from anyone.

In 1930, equipped with railroad tickets, her Bible, ninepence in coins and two one-pound traveler's checks (less than $8), Gladys Aylward made the "impossible" trans-Siberian trip by rail to the land of China of which she eventually became a citizen.

Her life in a remote mountain town of northwest China became a series of dramatic events. She stopped a prison riot alone by calming facing an axe-wielding inmate, rescued a child from a dealer in human lives, led the district's exalted mandarin to accept Christianity and saw many other miracles of faith.

WHEN WAR BROKE out with Japan, dangers for the "Small Woman" increased. She was cruelly beaten by soldiers, and on one occasion miraculously survived after being shot and used for target practice by the invading soldiers.

Then, as a fugitive without money or food, she led 100 homeless children on an epic journey across the wild mountains to safety.

Miss Aylward just recently conducted a highly successful speaking tour of Australia and New Zealand. She returns to America from Formosa, where she is continuing to work among the Chinese and with homeless orphans.

Armin Hesse will speak in the 10:30 a.m. worship service on "The Security of Christ's Sheep."

In the 9:15 a.m. Sunday School session, the pupils will consider the Biblical account of "Doubting Thomas Convinced." Last Sunday the 12 members of the Palm Sunday junior confirmation class were advanced to the Junior Bible Department.

THE CONGREGATION schedule for next week lists: The Pastor's Adult Study Class for non-members on Monday night at 8 o'clock; the Sunday School Staff on Tuesdays at 7:30 p.m.; choir rehearsal on Thursday night at 8; and the Lutheran Women's Missionary League mother-daughter banquet on Friday night in Parish Hall.

In last week's meeting of the voting assembly, the decision was made to conduct two Sunday services, beginning on Sunday, June 17. The services will be held at 8 and at 10:30 a.m., with the Sunday School hour remaining at 9:15 a.m.

In order to remove uncertainty from the vacation plans of members and friends, the assembly also resolved the dedication of the new church sanctuary will not be held before Sunday, Sept. 16. The definite date will be set when the structure is completed.

5 Meetings Planned by Presbyterians

More than 1,000 United Presbyterians, representing 256 individual congregations throughout the Southland, will attend five district meetings during May to discuss stewardship and mission of the church.

Theme for the meetings, which are being sponsored by the stewardship and promotion committees of Los Angeles, Riverside and Santa Barbara Presbyteries, is "Training for the Year-'Round Task."

Keynote speaker at each session will be James D. Nesbitt, director of stewardship education for the Presbyterian Church in this area, whose subject will be "A Stewardship Program for Today."

THE MEETINGS are designed primarily for chairmen, committee members, and other lay leaders in the individual churches who have responsibilities with the every member canvass and total stewardship program in their home parishes.

Dates and locations follow:

May 5—First Presbyterian Church, 10544 S. Downey Ave., Downey.

May 6—First Presbyterian Church, 4445 Noble Ave., Sherman Oaks.

May 12—Community Church, 115 Lincoln Ave., Ventura.

May 19—First Presbyterian Church, 1900 D St., San Bernardino.

May 20 — Northminster Church, 4324 Claremont Mesa Blvd., San Diego.

Saturday sessions will begin at 9:45 a.m. and conclude at 3:15 p.m. with the Sunday sessions running from 2:45 to 8:15 p.m.

Co-chairmen are Rev. Gordon A. McGrane, Pomona; Ralph M. Speelmon, Yucaipa, and Rev. W. Frederick Wills, Santa Barbara.

Mary's Lamb Is Subject of Sermon

"Mary's Little Lamb" will be the sermon topic of Rev. Ray E. Hansen, pastor of Shepherd of the Hills Lutheran Church, 33 E. Sierra Madre Blvd., Sierra Madre, at 10:10 a.m. Sunday.

Commenting on his subject, based on John 10:11-16, the pastor said, "In the nursery rhyme Mary's little lamb becomes confused and behaves like Mary. It goes to school and all the children laugh because a lamb should not behave like a human."

The Bible reminds us that humans behave like lambs, he noted, ". . . all we like sheep have gone astray. . . . (the people) were scattered as sheep without a shepherd . . . they shall be one flock."

"GOD, WHO takes our behavior quite seriously, provides for the gathering of His flock under the shepherding of Christ," he said. "God knows our need to belong to Him, to be cared for, protected and led. He regards none of our needs lightly, but mets them by the life laid down through Jesus Christ, the Lamb of God, our Saviour."

Christian education classes for all ages are at 9 a.m., including adult Bible study led by the pastor. Nursery and child care are provided during the 10:10 service.

'Everlasting Punishment' Is Sermon Theme

The lesson-sermon on "Everlasting Punishment" in all Christian Science churches on Sunday will emphasize how obedience to divine law brings human redemption.

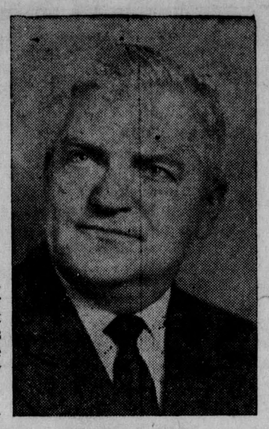

In a story featured in the scriptural passages, Jonah's disobedience to God's command to go to Ninevah resulted in his being cast into the sea and swallowed by "a great fish" . . . Then Jonah prayed unto the Lord his God out of the fish's belly, And said, . . . "When my soul fainted within me I remembered the Lord: and my prayer came in unto thee, into thine holy temple."

Then the Lord saved Jonah and said unto him the second time, "Arise, go unto Ninevah, that great city, and preach unto it the preaching that I bid thee . . . And Jonah began to enter into the city."

Then the king said, "Let man and beast be covered with sackcloth, and cry mightily unto God: . . . And God saw their works, that they turned from their evil way; and God repented of the evil, that he had said that he would do unto them; and he did it not." (Jonah 1-3).

Youth Group Aids At Temple David

Rabbi Camillus Angel, D.D. and members of the Senior Youth Group will conduct the Family Sabbath services at Temple Beth David of the San Gabriel Valley Friday at 8 p.m.

Charles L. Reilly

C. L. Reilly Will Lecture Here May 10

How scientific prayer helps to support righteous government will be brought out in a free public lecture to be given in Sierra Madre on Thursday evening, May 10, by Charles Louis Reilly of Los Angeles.

Mr. Reilly, who is on extensive tour as a member of The Christian Science Board of Lectureship, will speak under the auspices of First Church of Christ, Scientist, Sierra Madre, in the Sierra Madre School Auditorium, Auburn and Highland Ave., at 8 p.m. His subject will be "Christian Science: True Government Revealed Through Prayer."

A Christian Science teacher and practitioner, Mr. Reilly is a native of St. Paul, Minn. He gave up a musical career as a concert pianist in 1940 to devote his full time to the practice of Christian Science healing. In 1955 he became an authorized Christian Science teacher.

For eight years he was Christian Science Committee on Publication for Southern California. He served as the moderator of a number of Christian Science television programs which have been seen throughout the United States, Canada, Australia, and other countries.

Rev. Hansen, E. W. Nelson to Conclave

Two delegates will represent Shepherd of the Hills Lutheran Church of Sierra Madre at the convention of the Synod of the Pacific Southwest at Berkeley, May 8-10.

The delegates are Ernest W. Nelson of Sierra Madre and the pastor, Rev. Ray E. Hansen. Mrs. Nelson will accompany her husband to the convention, visiting friends en route.

New congregations and pastors will be received into the synod, which now has 135 churches in California, Hawaii, Arizona and Nevada.

THIS WILL BE the final convention of the synod before the merger of the United Lutheran Church with three other Lutheran bodies, the Augustana Lutheran Church, the Suomi Synod and the American Evangelical Lutheran Church, effective Jan. 1, 1963. The new church will be named the Lutheran Church in America.

NEW MESSAGE RATE SERVICE FOR BUSINESS TELEPHONE SUBSCRIBERS

OF CALIFORNIA WATER & TELEPHONE COMPANY IN THIS AREA

Billing to all business service subscribers of California Water & Telephone Company in the greater Los Angeles metropolitan area will soon be converted from the current **Flat Rate Service** method to the new **Message Rate Service** basis.

This change does away with flat rate billing under which all subscribers pay a uniform rate, regardless of usage. The new method substitutes a lower basic rate combined with a small charge per call which will more accurately reflect each subscriber's telephone usage.

If you would like additional information on the new Message Rate Service, simply telephone your nearby California Water & Telephone Company Business Office and ask your service representative to send you a copy of our very informative brochure entitled "Answers to Your Questions About the New Message Rate Service for Business Telephones".

THE CHURCH FOR ALL . . .
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

How Important is an Inch

Not long ago Genevieve was thirty-seven inches tall. Soon she'll be thirty-eight. Just how important is that next inch?

It's all-important! Without that inch her growth will cease.

Folks sometimes underestimate the importance of a Sunday in Church or Sunday School. What difference, they think, can just one Sunday make?

But every day of worship or religious instruction adds its *inch* to our spiritual growth. And whenever we neglect the soul's needs, then, temporarily at least, growth ceases.

Children, and adults, too, need to keep on growing spiritually. How different our world could be if all of us reached the spiritual maturity God wants men to attain.

A Sunday, like an inch, is important. Next Sunday is all-important for all of us!
